**NON-DISCRIMINATION PROVISION**

**Project: LAW ENFORCEMENT VEHICLES**

All requests for bids or Bids issued for City contracts shall include a certification to be completed by the Bidder or Proposer in substantially the following form:

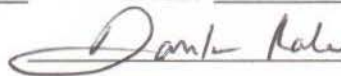

The undersigned Bidder or Proposer hereby certifies and agrees that the following information is correct:

1. In preparing it's the enclosed bid or Bid, the Bidder or Proposer has considered all bids and Bids submitted from qualified, potential subcontractors and suppliers, and has not engaged in discrimination as defined in **Section 2**.
2. For purposes of this section, discrimination means discrimination in the solicitation, selection, or treatment of any subcontractor, vendor, supplier or commercial customer on the basis of race, ethnicity, gender, age, religion, national origin, disability or any otherwise unlawful form of discrimination. Without limiting the foregoing, discrimination also includes retaliating against any person or other entity for reporting any incident of discrimination.
3. Without limiting any other remedies that the City may have for a false certification, it is understood and agreed that, if this certification is false, such false certification will constitute grounds for the City to reject the bid or Bid submitted with this certification, and terminate any contract awarded based on such bid or Bid. It shall also constitute a violation of the City's Commercial Non-Discrimination Ordinance and shall subject the Bidder or Proposer to any remedies allowed thereunder, including possible disqualification from participating in City contracts or bid processes for up to two years.
4. As a condition of contracting with the City, the Bidder or Proposer agrees to promptly provide to the City all information and documentation that may be requested by the City from time to time regarding the solicitation and selection of suppliers and subcontractors in connection with this solicitation process. Failure to maintain or failure to provide such information shall constitute grounds for the City to reject the bid or Bid and to any contract awarded on such bid or Bid. It shall also constitute a violation of the City's Commercial Non-Discrimination Ordinance, and shall subject the Bidder or Proposer to any remedies that are allowed thereunder.
5. As part of its bid or Bid, the Bidder or Proposer shall provide to the City a list of all instances within the past ten years where a complaint was filed or pending against Bidder or Proposer in a legal or administrative proceeding alleging that Bidder or Proposer discriminated against its subcontractors, vendors, suppliers, or commercial customers, and a description of the status or resolution of that complaint, including any remedial action taken.
6. As a condition of submitting a bid or Bid to the City, the Bidder or Proposer agrees to comply with the City's Commercial Non-Discrimination Policy as described in **Section 2**, Article V of the Charlotte City Code, and consents to be bound by the award of any arbitration conducted thereunder.

**E-VERIFY CERTIFICATION**

This E-Verify Certification is provided to the City of Charlotte (the "City") by the company signing below ("Company") as a prerequisite to the City considering Company for award of a City contract (the "Contract").

1. Company understands that:
  - a. E-Verify is the federal program operated by the United States Department of Homeland Security and other federal agencies to enable employers to verify the work authorization of employees pursuant to federal law, as modified from time to time.
  - b. Article 2 of Chapter 64 of the North Carolina General Statutes requires employers that transact business in this state and employ 25 or more employees in this state to: (i) verify the work authorization of employees who will be performing work in North Carolina through E-Verify; and (ii) maintain records of such verification (the "E-Verify Requirements").
  - c. North Carolina General Statute 160A-20.1(b) prohibits the City from entering into contracts unless the contractor and all subcontractors comply with the E-Verify Requirements.
2. As a condition of being considered for the Contract, Company certifies that:
  - a. If Company has 25 or more employees working in North Carolina (whether now or at any time during the term of the Contract), Company will comply with the E-Verify Requirements in verifying the work authorization of Company employees working in North Carolina; and
  - b. Regardless of how many employees Company has working in North Carolina, Company will take appropriate steps to ensure that each subcontractor performing work on the Contract that has 25 or more employees working in North Carolina will comply with the E-Verify Requirements.
3. Company acknowledges that the City will be relying on this Certification in entering into the Contract, and that the City may incur expenses and damages if the City enters into the Contract with Company and Company or any subcontractor fails to comply with the E-Verify Requirements. Company agrees to indemnify and save the City harmless from and against all losses, damages, costs, expenses (including reasonable attorney's fees) obligations, duties, fines and penalties (collectively "Losses") arising directly or indirectly from violation of the E-Verify Requirements by Company or any of its subcontractors, including without limitation any Losses incurred as a result of the Contract being deemed void.

Gastonia, NC 28054

### **Re: Approval of HUB Certification**

Dear Fred Day:

The Office for Historically Underutilized Businesses (HUB Office) is pleased to inform you that your company is now certified as a HUB firm with the Statewide Uniform Certification (SWUC) Program. This certification will remain in effect for four (4) years from the date of this letter at which time you must apply for recertification. Until that time, you must keep your information current and submit the attached "Annual Status Update Affidavit" every year prior to your certification expiration date. You will receive a 60-day and 30-day email reminder notice, however, it is your responsibility to submit the Annual Status Affidavits and apply for recertification every four years. As a courtesy, the email reminder notice will be sent to the email address that you have provided in Vendor Link.

As you are likely aware, the HUB Office was given the authority and responsibility for developing a Statewide Uniform Certification Program. This program was developed for the purposes of streamlining the certification of minority and women-owned businesses and creating a centralized HUB and minority/women business database. Starting July 1, 2009, minority and women business firms must be certified through the HUB Office to be listed in the database, which will be used by local and state entities for HUB participation and reporting purposes. Maintaining your status as a certified HUB firm will ensure that you are included in the Statewide Uniform Certification database.

You must notify the HUB Office in writing within 30 days of any changes affecting your compliance with the SWUC Program eligibility requirements, including changes in ownership, day-to-day management and/or control. Any changes made to your company's business ownership or structure may require the HUB Office to re-evaluate your company's eligibility. Failure to notify the HUB Office of any changes, submission of the Annual Status Update Affidavits and/or applying for recertification in a timely manner, may cause your company to lose its HUB Certification for failure to comply.

## FEDERAL TRANSIT ADMINISTRATION CERTIFICATIONS

**NON-DISCRIMINATION CERTIFICATION FORM**

## Non-Discrimination Policy

**Project:** Law Enforcement Vehicles – ITB# 269-2016-009

---

**Bidder:** EARL TINDOL FORD INC.

---

**Section 2.101. Mandatory non-discrimination Contract clause.**

As a condition of entering into this Agreement, the Company represents and warrants that it will fully comply with the City's Commercial Non-Discrimination Policy, as described in Section 2, Article V of the Charlotte City Code, and consents to be bound by the award of any arbitration conducted thereunder. As part of such compliance, the Company shall not discriminate on the basis of race, gender, religion, national origin, ethnicity, age, or disability in the solicitation, selection, hiring, or treatment of subContractors, vendors, suppliers, or commercial customers in connection with a City Contract or Contract solicitation process, nor shall the Company retaliate against any person or entity for reporting instances of such discrimination. The Company shall provide equal opportunity for subContractors, vendors, and suppliers to participate in all of its subContracting and supply opportunities on City Contracts, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that has occurred or is occurring in the marketplace. The Company understands and agrees that a violation of this clause shall be considered a material breach of this Agreement and may result in termination of this Agreement, disqualification of the Company from participating in the Contracts or other sanctions.

**Section 2.102 Contractor bid requirements**

All requests for bids or proposals issued for *City Contracts* shall include a certification to be completed by the bidder or proposer in substantially the following form:

The undersigned Bidder or Proposer hereby certifies and agrees that the following information is correct:

1. In preparing the enclosed bid or proposal, the Bidder or Proposer has considered all bids and proposals submitted from qualified, potential subContractors and suppliers, and has not engaged in *discrimination as defined in Section 2*.
2. For purposes of this section, *discrimination* means discrimination in the solicitation, selection, or treatment of any subContractor, vendor, supplier or *commercial customer* on the basis of race, ethnicity, gender, age, religion, national origin, disability or any otherwise unlawful form of discrimination. Without limiting the foregoing, *discrimination* also includes retaliating against any person or other entity for reporting any incident of *discrimination*.

## FTA Required Forms

3. Without limiting any other remedies that the City may have for a false certification, it is understood and agreed that, if this certification is false, such false certification will constitute grounds for the City to reject the bid or proposal submitted with this certification, and terminate any Contract awarded based on such bid or proposal. It shall also constitute a violation of the City's Commercial Non-Discrimination Ordinance and shall subject the Bidder or Proposer to any remedies allowed thereunder, including possible disqualification from participating in City Contracts or bid processes for up to two years.
4. As a condition of Contracting with the City, the Bidder or Proposer agrees to promptly provide to the City all information and documentation that may be requested by the City from time to time regarding the solicitation and selection of suppliers and subContractors in connection with this solicitation process. Failure to maintain or failure to provide such information shall constitute grounds for the City to reject the bid or proposal and to any Contract awarded on such bid or proposal. It shall also constitute a violation of the City's Commercial Non-Discrimination Ordinance, and shall subject the Bidder or Proposer to any remedies that are allowed thereunder.
5. As part of its bid or proposal, the Bidder or Proposer shall provide to the City a list of all instances within the past ten years where a complaint was filed or pending against Bidder or Proposer in a legal or administrative proceeding alleging that Bidder or Proposer discriminated against its subContractors, vendors, suppliers, or *commercial customers*, and a description of the status or resolution of that complaint, including any remedial action taken.
6. As a condition of submitting a bid or proposal to the City, the Bidder or Proposer agrees to comply with the City's Commercial Non-Discrimination Policy as described in Section 2, Article V of the Charlotte City Code, and consents to be bound by the award of any arbitration conducted thereunder.

### BIDDER'S CERTIFICATE OF BUY AMERICA COMPLIANCE

Pursuant to Section 165 of the Surface Transportation Assistance Act of 1982, as amended, no funds shall be obligated for mass transportation projects, unless steel, iron and manufactured products used in these projects are produced in the United States. There are four exceptions. The fourth exception established an entire second program with its own requirements for the purchase of buses and other rolling stock. It provided that:

"The Buy America provisions would not apply to the procurement of buses and other rolling stock (including train control, communications, and traction power equipment) if the cost of components produced in the United States was more than 60 percent of the cost of all components of the vehicles or equipment and if final assembly took place in the United States."

The Buy America Audit will determine if the 60% is met. The bidder must identify the origin and cost of the major components. The list of items below contains items that typically would be considered components of a vehicle. The list is not all-inclusive. THE CITY or an outside auditor will audit the Bidder's documents to verify compliance with the Pre-Award & Post Delivery Buy America requirements. The following information will be required from the Low Bidder within five days of notification of award:

COMPONENT	MANUFACTURER	COUNTRY OF ORIGIN	PERCENTAGE OF TOTAL VEHICLE COST	TOTAL COST OF COMPONENT
Engine				
Transmission				
Front Axle Assemblies				
Rear Axle Assemblies				
Drive Shift Assemblies				
Front Suspension Assemblies				
Rear Suspension Assemblies				
Air Compressor & Pneumatic Systems				
Generator/Alternator and Electronic Systems				
Steering System Assemblies	<b>The attached information complies with the "Buy America" requirements and should satisfy your request. This calculation is based on the assumptions identified at the bottom of the attached sheet. The information should be protected as confidential business information which is being released only for compliance with the "Buy America" provisions of federal law. To that end, any transmission of this information should include the following: In accordance with the federal "Buy America" provisions, the components identified on the attachment should be considered a domestic component. This information should be considered confidential business information as it contains relative cost information that may be useful to our competitors. This information is being supplied with the understanding that it will not be used or released, except for the specific purpose of complying with the "Buy America" requirements of federal law.</b>			
Front & Rear Air Brake Assemblies				
A/C Evaporator/Condenser Assemblies				
Heating Systems				
Passenger Seats				
Driver's Seat Assemblies				
Window Assemblies				
Entrance and Exit Door Assemblies				
Door Control Assemblies				
Interior Lighting Assemblies				
Front and Rear End Cap Assemblies				
Front and Rear Bumper Assemblies				
Structural Steel Tubing				
Aluminum Extrusions				
Steel or Fiberglass				
Exterior Panels				
Interior Trim				
Flooring				

The following is a description of the actual location of the final assembly point, including a description of the activities that will take place at the final assembly point, and the cost of final assembly:

FINAL ASSEMBLY

- Location of the Final Assembly Point: **FORD EXPLORER ASSEMBLED @ KANSAS CITY PLANT USA**

- Description of activities that will take place at the Final Assembly Point:

The Final Assembly of a new vehicle, would typically include a minimum:

- the installation and interconnection of the engine, transmission, axles, including the cooling and braking system; SEE ATTACHED EXCEL DOC included
- the installation and interconnection of the heating and air conditioning equipment SEE ATTACHED EXCEL DOC included
- the installation of pneumatic and electrical systems, door systems, passenger seats; SEE ATTACHED EXCEL DOC included
- road testing, final inspection, repairs and preparation of the vehicles for delivery.

List other activities:

Foreign Vehicle Content	14.47%
US Vehicle Content	85.53%
Total Vehicle Content	100.00%

FINAL COST OF ASSEMBLY: \$ N/A

The bidder certifies that it complies with the Buy America requirements of Section 165(b)(3) of the Surface Transportation Assistance Act of 1982, as amended, and the regulations set forth in 49 CFR Part 661.11.

**Instructions for Certification**

1. By signing and submitting this bid or proposal, the prospective lower tier participant is providing the signed certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, (Recipient) may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to (Recipient) if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "persons," "lower tier covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549 [49 CFR Part 29]. You may contact (Recipient) for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized in writing by (Recipient).
6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion- Lower Tier Covered Transaction", without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List issued by U.S. General Service Administration.
8. Nothing contained in the foregoing shall be construed to require establishment of system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under Paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to all remedies available to the Federal Government, (Recipient) may pursue available remedies including suspension and/or debarment.

**FTA REQUIRED FORMS**  
**CERTIFICATION REGARDING LOBBYING**

The undersigned certifies, to the best of his or her knowledge and belief, that:

- (1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence a member of the Metropolitan Transit Commission, Charlotte City Council, officer or employee of the City of Charlotte, or any elected, appointed, or employed official or employee of the State of North Carolina, member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with the awarding of any Federal Contract, or the amendment or modification of any Federal Contract.
- (2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence a member of the Metropolitan Transit Commission, Charlotte City Council, officer or employee of the City of Charlotte, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this Federal Contract, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions.
- (3) The undersigned shall require that the language of this certification be included in the award of all subContracts anticipated to be of a value of \$100,000 or more and that all subContractors shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

Truck Shipment

**Description:**

\*FREE Next Day Air within the USA, Canadian customers receive FREE Expedited International shipment. Orders for this item placed by 1:00PM EST M-F (excluding holidays), will ship out the same day.

**Ford Integrated Diagnostic System (IDS)**

The Ford IDS is the only equipment that provides complete diagnostic coverage, including module programming and key programming of 1996 to current and future Ford and Lincoln vehicles. The IDS will operate on multiple PC platforms meeting the minimum specifications and having a valid IDS software license subscription. IDS software license subscriptions are available online at the PTS, Ford Fleet, or Motorcraftservice website.

**Vehicle Communication Module II (VCM II)**

The VCM II communicates with Ford and Lincoln vehicles via the 16-pin diagnostic link. This device is the core of vehicle diagnostics. An IDS software license subscription (sold separately) provides access to the software which uses the VCM II hardware to perform vehicle diagnostics.

**VCM II FEATURES**

- The VCM II is designed to have comparable vehicle and model year coverage to the VCM
- All VCM II's will operate as a Customer Flight Recorder (CFR) with an optional pendant cable 164-R9806 to replace the functionality of the Vehicle Data Recorder (VDR)
- Industry standardized J1962 Data Link Connector (DLC) and USB cables allow the user to realize a lower cost of ownership compared to the VCM
- Includes enhanced 802.11 wireless that minimizes dependencies on service department wireless infrastructure
- New wireless software integrated with IDS installation package
- Wireless functionality preferred for all IDS functions including module reprogramming. USB wired connections are only required to update the VCM II loaded code firmware and to set up the VCM II to function as a Customer Flight Recorder (CFR)
- Improved durability
- SmartPower Management system to protect the VCM II in extreme environments

**Description:**

\*FREE Next Day Air within the USA, Canadian customers receive FREE Expedited International shipment. Orders for this item placed by 1:00PM EST M-F (excluding holidays), will ship out the same day.

**Ford Integrated Diagnostic System (IDS)**

The Ford IDS is the only equipment that provides complete diagnostic coverage, including module programming and key programming of 1996 to current and future Ford and Lincoln vehicles. The IDS will operate on multiple PC platforms meeting the minimum specifications and having a valid IDS software license subscription. IDS software license subscriptions are available online at the PTS, Ford Fleet, or Motorcraftservice website.

**Vehicle Communication Module II (VCM II)**

The VCM II communicates with Ford and Lincoln vehicles via the 16-pin diagnostic link. This device is the core of vehicle diagnostics. An IDS software license subscription (sold separately) provides access to the software which uses the VCM II hardware to perform vehicle diagnostics.

**VCM II FEATURES**

- The VCM II is designed to have comparable vehicle and model year coverage to the VCM
- All VCM II's will operate as a Customer Flight Recorder (CFR) with an optional pendant cable 164-R9806 to replace the functionality of the Vehicle Data Recorder (VDR)
- Industry standardized J1962 Data Link Connector (DLC) and USB cables allow the user to realize a lower cost of ownership compared to the VCM
- Includes enhanced 802.11 wireless that minimizes dependencies on service department wireless infrastructure
- New wireless software integrated with IDS installation package
- Wireless functionality preferred for all IDS functions including module reprogramming. USB wired connections are only required to update the VCM II loaded code firmware and to set up the VCM II to function as a Customer Flight Recorder (CFR)
- Improved durability
- SmartPower Management system to protect the VCM II in extreme environments
